

Republic Bank & Trust Company (Republic) EHR Equipment Lease Application

In order to help the government fight the funding of terrorism, money laundering activities, and identity theft, the USA PATRIOT Act requires all financial institutions to obtain, verify and record information that identifies each person or business that opens an account. What this means to you is that when you apply for a product with Republic, we will ask for your name, street address, tax identification number, date of birth, and other information that allows us to identify you. We will also ask to see an unexpired, government-issued photo ID or other identifying documents.

Each Guarantor agrees to be an applicant for credit.
