“Republic Bank is a community bank, and it is important to give back to the communities where our clients and colleagues live and work. We embrace our responsibility as a community business, and the opportunity to create more resilient and sustainable communities through not just our dollars but also volunteer hours. In 2016, Republic Bank donated money to over 500 organizations (many of which are listed here) in Kentucky, Indiana, Ohio, Tennessee and Florida. In addition, our Republic Bank associates opened their hearts and shared their time with over 12,600 service hours to many different organizations. We believe that our communities are stronger when we support one another. At Republic Bank, we hope that by giving back we ultimately make someone’s life a little easier.”

ZACHARY TAYLOR POST 180
“The impact of Republic Bank in this community is amazing. The WHAS Crusade for Children cannot thank the Republic Bank Foundation enough for their generous donations that allow us to continue our efforts to make lives better for children with special needs. However, the generosity of Republic Bank goes beyond making donations. Their commitment to making a difference creates an atmosphere where the employees want to give of their time and talents in addition to annual contributions. Each year dozens of skilled and dedicated individuals spend hours sorting, counting and verifying money on Crusade weekend, literally transforming our offices into a temporary bank branch. We could not do it without them!! This type of generosity not only makes our community a better place, it puts Republic Bank in a league of their own.”

DAWN LEE
President & CEO
WHAS Crusade for Children

“As you look around our community and see the organizations – and the people – Republic has touched through its philanthropy, you begin to grasp how important Republic Bank is to all of us and how much richer and more dynamic the cultural and service communities are for your generosity. Not only has Republic significantly enhanced Kentucky to the World’s ability to reach its goals through its ongoing support and encouragement, but especially its Title Speaker Series sponsorship for 2017 and 2018. As KTW works to enhance our state’s image at home and beyond, having Republic’s team as outstanding partners is making it possible for us to have a much larger impact as a catalyst for igniting change and inspiring people about the value of our state and its citizens. Republic consistently demonstrates the very best in what “corporate citizenship” means to a community, and we are grateful for your vision.”

SHELLY ZEGART
Board President
Kentucky to the World

“Fund for the Arts is able to create impact in our schools, community centers, public spaces and beyond through the support of organizations like Republic Bank and its employees, who are consistently top supporters. We are particularly grateful to Republic’s Chairman and CEO Steve Trager for his leadership as our 2016 Campaign Chair. Thanks to Steve’s dedication and leadership, Fund for the Arts and our Cultural Partners will be able to expand arts access across our community and leverage the power of the arts to fuel a stronger, more vibrant city.”

CHRISTEN BOONE
President & CEO
Fund for the Arts

“Republic Bank has been a great friend to Norton Children’s Hospital and Norton Cancer Institute over the years with support through the Festival of Trees & Lights and Bike to Beat Cancer. Thanks to this leadership, we’ve been able to help countless people in our community receive the care they’ve needed to live longer, healthier lives. Republic Bank truly sees the value in helping the community and sets a great organizational example.”

LYNNIE MEYER
Senior VP & Chief Development Officer
Norton Healthcare
