

He wants you to “Fire your boss and work at home.”

**RE: Work-At-Home! Earn \$150k!**

When you accept his online offer to work at home, it seems so easy. You are his “Payment Processor.” You deposit checks into your account. You wire him 90% and keep 10% for your “salary.” The checks you put into your account were fake and you’re in trouble. That’s how the scam works. Learn more about these scams at:
